

Office of the Secretary of the District of Columbia

Request for Applications for a Grant to Promote District of Columbia Voting Rights

Release Date: January 15, 2010

Applications Due: February 15, 2010 at Noon

SECTION I. FUNDING OPPORTUNITY

The Office of the Secretary of the District of Columbia (OS) hereby invites the submission of applications to provide support for Mayor Adrian M. Fenty's initiatives to achieve full voting rights in the United States Congress or statehood for the District of Columbia.

Background

The residents of the District of Columbia are United States citizens who continue to lack full representation and budget autonomy in the Congress of the United States, 230 years after the Constitution was written.

With the start of the "Home Rule" era in 1973, District residents could finally elect the Mayor and Council of the District of Columbia. Over the past 37 years, there have been numerous efforts to acquire the same rights as the rest of the United States - to elect representatives to the House and Senate. These efforts have waxed and waned over time, with the past two years coming extremely close to getting a full seat in the House of Representatives. Full representation in the House of Representatives is not unattainable, and even senatorial elections could be witnessed within the next decade or two.

Since 1998, the District has allocated funds to a nonprofit organization for educating the public in Washington, DC and the rest of the country about the continued lack of full voting rights in the nation's capital. In addition, since 1990 District residents have elected a "shadow" delegation to Congress in order to promote statehood.

Mayor Adrian M. Fenty has charged the Office of the Secretary with responsibility for managing the funds DC government dedicates to the fight for full representation in Congress. For FY2010, the Council of the District of Columbia approved a total of \$150,000 to be awarded competitively to one or more organizations with a history of supporting DC voting rights.

Purpose of Program

The objective of this grant is to strengthen support for District representation in Congress. This will require outreach across the country and measurement of support among the public. The ultimate goal is to attain at least one vote for District of Columbia residents in the United States Congress. The likelihood of attaining a House vote is in no way meant to require nor endorse the goal of such work to exclude Senators or statehood. The more realistic goal of this program is that the grantee(s) increase nationwide support for District voting rights.

This program is funded with FY2010 funds, and must all be expended by September 30, 2010, with a full accounting provided to the Office of the Secretary by October 31, 2010.
